## **RESPECT IN SPORT – PARENT PROGRAM**

Ringette Ontario is announcing that one parent of every ringette player under the age of 18 is required to take the **Respect in Sport Parent Program** before participating in **ringette** programming, starting in the 2022-23 season. This course is mandatory to have the Player's registration approved.

The Respect in Sport Parent Program is a one-hour online module for parents/guardians, reinforcing their role in their child's activities, encouraging positive sport behaviors, and providing insight into the various roles other individuals play, such as coaches and officials.

This program empowers parents to:

- ✓ Ensure the safety of their children.
- ✓ Encourage positive and effective communication.
- ✓ Enhance a child's overall enjoyment of Ringette.

The online course costs \$12 and is transferable to other sports involved in Respect in Sport.
